

Re-enrolling Student Advice

Dear Parents

The Admissions Department at WAB is beginning to enroll students for the 2008/09 academic year. Please advise us of your family's plans by indicating **Withdrawing**, **Re-enrolling**, or **Unsure** below. Only 1 form is required per family. Please return completed form to either a Homeroom Teacher or to the Elementary, Middle or High School Receptions **by Monday March 10**.

Please note that if you indicate that you are unsure, we **do not** give your space away; only spaces of families who are definitely not returning will be offered to waiting families. If you are currently unsure, please advise the Admissions Office as soon as you have made a decision. In the meantime we appreciate your prompt return of this form

Please note that families who inform us that they are not returning and who then decide to stay are guaranteed a place at WAB next year.

Should your plans change after filling out the form, please let the Admissions Office know by mailing Sinead Collins on scollins@wab.edu.

Our child(ren)
