School Description

Western Academy of Beijing (WAB) is a leading non-profit, independent IB World School. Founded in 1994, WAB prides itself on innovative and highly qualified teachers, world-class facilities, diverse community, warm and supportive environment and service-oriented culture. Students are the focus of WAB's learner-centered atmosphere, and are encouraged to take their place as responsible citizens of the world. The High School was established in 2005. The Class of 2017 (**108 students**) will be the eleventh graduating class in the 22-year history of the school.

Technology and information literacy are integrated throughout the rigorous curriculum, requiring that every student have a laptop computer. Both the IB Middle Years Programme (MYP) and the IB Diploma Programme (DP) are offered in the High School. In addition, every graduate earns an accredited Western Academy of Beijing High School Diploma.

Accreditation and Membership

WAB is accredited by:

- NCCT - National Center for Curriculum and Textbook Development
(WAB was the first international school in China to be accredited by NCCT)
- NEASC - New England Association of Schools and Colleges
- CIS - Council of International Schools
- IB - International Baccalaureate

WAB is an active member of:

- ACAMIS - Association of China and Mongolia International Schools
- APAC - Asia Pacific Activities Conference
- CIS - Council of International Schools
- EARCOS - East Asia Regional Council of Schools
- ISAC - International School Athletics Conference
- NAIS - National Association of Independent Schools
- ISCA - International School Counselor Association
- NACAC - National Association for College Admissions Counseling
- IACAC - International Association for College Admissions Counseling

Student Body

The High School of 426 students (EY-12: 1,360) is truly international, with students representing 46 nationalities and 36 languages. Currently, approximately 41% of students come from the United States of America, United Kingdom, Canada, Australia, and New Zealand; 39% from Asian countries; 19% from European countries; and 1% other. WAB encourages a creative culture based on universal respect. The diversity is also reflected at the school with no single nationality exceeding 20% of the student body.

Faculty

WAB's highly experienced and committed international faculty comes from a wide variety of countries, such as Australia, Canada, New Zealand, the UK and the US. There are 187 teachers at WAB - 67 at the High School with 18 nationalities represented, many of whom are educational leaders, IB trainers, examiners, moderators and curriculum writers.

High School Curriculum

WAB students are encouraged to take the most challenging courses in which they can be academically successful. English is the language of instruction. Each course meets for 80 minutes on an alternate rotating day schedule throughout the school year, which runs from August through June. The academic year is divided into two semesters.

All Grade 9 and 10 students study eight courses each year. In Grade 10, students complete the MYP Personal Project outside of class time. The project exposes students early on to independent research and critical reflection.

In Grades 11 and 12, students can participate in the International Baccalaureate Diploma Programme. **The full IB Diploma is open to all WAB students.** The Class of 2017 consists of 108 students, 88 of which are taking the full IB Diploma. Full IB Diploma students choose from six subject groups that include a broad range of courses with three at standard level and three at higher level. In addition, students must take the Theory of Knowledge (TOK) course, complete an Extended Essay, and fulfill Creativity, Action and Service (CAS) commitments outside of class time. **WAB expects full DP students to enroll in no more than three courses at higher level and three courses at standard level. WAB only allows 10 applications to universities each yearly cycle.**

Student Support Programs

A range of services is provided in the High School to assist learners with special needs and abilities, and for students whose academic language is not English. All student achievement and learning needs are monitored upon entry to the High School. An enrichment specialist provides additional opportunities for students identified with high ability in a variety of subject areas. Students who are non-native English language speakers are assessed to determine whether EAL support is required. The Learning Support Center actively supports students with learning needs, including maintaining documentation for testing accommodations. High School

counselors provide a range of support including academic, social and emotional counseling and guidance.

WABX Extracurricular Activities and Global Citizenship/CAS

WAB believes in balancing the educational needs of students with their social, physical and character development. Students are encouraged to pursue individual interests through a broad range of activities including competitive and intramural sports, music and the creative arts. There are 14 competitive sports and over 200 creative and service activities available to our High School students to take part in, including GSBTQ Alliance, International Youth Award, Pro-Farmer, Global Issues Network, and Forensics. WAB strongly encourages our students to connect, inspire and make a difference in their daily lives.

In order for students to receive the WAB High School Diploma, all students commit to global citizenship projects. Students in Grades 11 and 12 participate in CAS projects with clearly defined IB learning objectives. These projects should be, by their very nature, a learning experience for the student with reflection as an integral part of the process. WAB encourages all students to become caring global citizens who demonstrate empathy and compassion and show awareness toward people and the environment. Global citizenship projects uphold a WAB core value of being fully engaged in our host country, China.

China Studies Program

An annual China Studies field trip for each grade level is a key element in engaging students with our host country while supporting the High School curriculum. All High School students participate in a one-week trip to different regions of China, providing an opportunity to broaden the student's curricular experience, to develop environmental and cultural awareness, and to foster a sense of community living and sharing.

COURSE OFFERINGS: 2016 - 2017 All courses are IB unless specifically denoted as High School (HS) courses.

ENGLISH

MYP:
English A
English Language Acquisition

DP:
English Literature A (SL/HL)
English Language and Literature A (SL/HL)
IB English B (HL)

Western Academy of Beijing - IB Diploma Results (past 4 years)

Range of WAB IB Diploma results

Year	< 24	24 - 29	30 - 34	35 - 39	40 - 45	Highest diploma points awarded to a WAB candidate
2016	1	18	42	34	8	45
2015	-	13	26	34	18	44
2014	1	13	37	16	22	45
2013	2	19	37	28	18	45

WAB is academically non-selective with more than 90% of the students completing the full IB Diploma Programme. Over the last four years, 20% of WAB students have averaged 40 points in the full IB Diploma Programme.

Year Graduating Class	IBDP Candidates	WAB Mean	World Mean	Percentage of WAB DP candidates who earned the diploma	Number of WAB students who earned a bilingual diploma
2016	103	34	30.06	98%	23
2015	91	35	30.02	99%	21
2014	89	35	29.7	97%	28
2013	107	35	29.9	93%	27

WAB Graduation Requirements

In order for students to receive the WAB High School Diploma they must successfully complete the minimum required credits listed below:

4 English	3 Science
3 Mathematics	3 Humanities
2 Arts	2 Other Language
2 Physical Education	2 Technology
3 Electives	

Credit is given for successful completion of WAB courses with a grade of 3 or higher. In discussion with a WAB counselor, new students have their previous transcript/school reports verified and appropriate credit awarded. Some students may be waived certain credits (technology) only if entering mid-way through High School. **WAB does not rank or calculate Grade Point Averages (GPAs).**

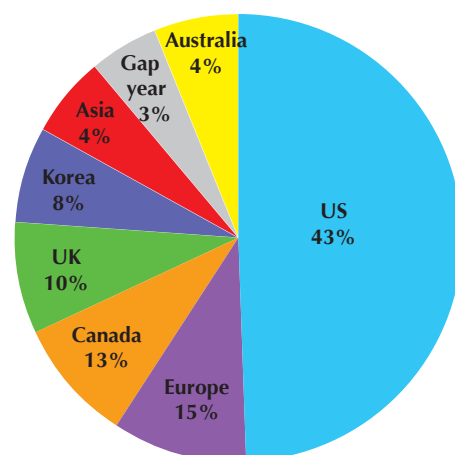

Grading System (1-7 Scale)

The WAB assessment system follows the established IB criteria and conversion table, whose descriptors are noted below:

Grade	North American Conversion	Descriptor
7	A+	Excellent
6	A	Very Good
5	B	Good
4	C	Satisfactory
3	D	Mediocre
2	F	Poor
1	F	Very Poor

Destinations for Class of 2016 (118 students)

Includes Gap Year and National Service
